<p><small>We prefer payment before your SMA Ad is prepared & displayed.</small></p>	
<p>Name of advertiser: _____ Amount: \$ _____ (Could be an individual or organisation.)</p>	

MEANINGS:

SMA: See My Ad

SMA number:

See My Ad number is a 4 digit number used to identify and access a webpage ad on the SMA website, particularly by potential buyers who have seen your print media ad and now want to find your ad directly on the SMA website without having to search the SMA website first. These numbers are issued to customers by **See My Ad**.

An alias (word) can also be used instead of a number in special ads, as for birthdays or some other special event. You can suggest a word or name and we'll try to accommodate. If the word you want is being used by another advertiser at the time, we will not be able to use it in connection to your ad.
